Gary,

We'll be working together on the FJ Doyle removal assessment. I've got the TDD, and Criner has Janine working on getting the data from the EPA OSC site into Scribe. I'm in Oklahoma with Adam right now, but I should be back by Monday, August 21st. Did you want to try and get together sometime next week when I'm back in Dallas? I'm available Tuesday afternoon, Wednesday morning, and all day Thursday and Friday.
